Dear Sir,

Please find the attached prequalification submittal for M/s. Al Fayed Foundation, submitted by the contractor vide letter ref: 0271-MACE-1792-6-HS-rb dated 21<sup>st</sup> February 2018, requesting for review and approval for secant piling works for the referred contract.

It is to be noted that there is no category for Secant Piling sub-contractors in the ADSSC Contract vendor list. Further, the proposed subcontractor has executed several projects in the field of Shoring works in Abu Dhabi, UAE. The pre-qualification document has been reviewed by us, found acceptable and hence recommended for your approval subject to satisfactory performance, compliance with the ADSSC specifications, method statement, shop drawings and compliance with the following requirements:

1. Design calculations for secant piling, Method statement, and shop drawings shall be submitted for review and approval.
2. All necessary authority approvals shall be obtained by the Contractor
3. This approval will not relieve the Contractor of his Contractual Obligations and responsibility to comply with the Contract requirements and Specifications.

We kindly request your review and approval of the above mentioned sub-contractor for the referred contract at your earliest convenience.

Yours faithfully,
